Information on data transfer to the USA and other non-EU countries

Among other things, tools of companies domiciled in the United States or other from a data protection perspective non-secure non-EU countries, are integrated into our website. If these tools are active, your personal data may potentially be transferred to these non-EU countries and may be processed there. We must point out that in these countries, a data protection level that is comparable to that in the EU cannot be guaranteed. For instance, U.S. enterprises are under a mandate to release personal data to the security agencies and you as the data subject do not have any litigation options to defend yourself in court. Hence, it cannot be ruled out that U.S. agencies (e.g., the Secret Service) may process, analyze, and permanently archive your personal data for surveillance purposes. We have no control over these processing activities.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6(1)(E) OR (F) GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21(1) GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA FOR THE PURPOSES OF SUCH ADVERTISING AT ANY TIME. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21(2) GDPR).

Right to log a complaint with the competent supervisory agency

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

Right to data portability

You have the right to demand that we hand over any data we automatically process on the basis of your consent or in order to fulfil a contract be handed over to you or a third party in a commonly used, machine readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

SSL and/or TLS encryption

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this website uses either an SSL or a TLS encryption program. You can recognize an encrypted connection by checking whether the address line of the browser switches from “http://” to “https://” and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

Information about, rectification and eradication of data

Within the scope of the applicable statutory provisions, you have the right to at any time demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data. You may also have a right to have your data rectified or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

Right to demand processing restrictions

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data in lieu of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal entitlements, you have the right to

demand the restriction of the processing of your personal data instead of its eradication.

- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

Rejection of unsolicited e-mails

We herewith object to the use of contact information published in conjunction with the mandatory information to be provided in our Site Notice to send us promotional and information material that we have not expressly requested. The operators of this website and its pages reserve the express right to take legal action in the event of the unsolicited sending of promotional information, for instance via SPAM messages.

4. Recording of data on this website

Cookies

Our websites and pages use what the industry refers to as “cookies.” Cookies are small text files that do not cause any damage to your device. They are either stored temporarily for the duration of a session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit. Permanent cookies remain archived on your device until you actively delete them, or they are automatically eradicated by your web browser.

In some cases, it is possible that third-party cookies are stored on your device once you enter our site (third-party cookies). These cookies enable you or us to take advantage of certain services offered by the third party (e.g., cookies for the processing of payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of the cookies (e.g., the shopping cart function or the display of videos). The purpose of other cookies may be the analysis of user patterns or the display of promotional messages.

Cookies, which are required for the performance of electronic communication transactions (required cookies) or for the provision of certain functions you want to use (functional cookies, e.g., for the shopping cart function) or those that are necessary for the optimization of the website (e.g., cookies that provide measurable insights into the web audience), shall be stored on the basis of Art. 6(1)(f) GDPR, unless a different legal basis is cited. The operator of the website has a legitimate interest in the storage of cookies to ensure the technically error free and optimized provision of the operator's services. If your consent to the storage of the cookies has been requested, the respective cookies are stored exclusively on the basis of the consent obtained (Art. 6(1)(a) GDPR); this consent may be revoked at any time.

You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this website may be limited.

In the event that third-party cookies are used or if cookies are used for analytical purposes, we will separately notify you in conjunction with this Data Protection Policy and, if applicable, ask for your consent.

Contact form

If you submit inquiries to us via our contact form, the information provided in the contact form as well as any contact information provided therein will be stored by us in order to handle your inquiry and in the event that we have further questions. We will not share this information without your consent.

The processing of these data is based on Art. 6(1)(b) GDPR, if your request is related to the execution of a contract or if it is necessary to carry out pre-contractual measures. In all other cases the processing is based on our legitimate interest in the effective processing of the requests addressed to us (Art. 6(1)(f) GDPR) or on your agreement (Art. 6(1)(a) GDPR) if this has been requested.

The information you have entered into the contact form shall remain with us until you ask us to eradicate the data, revoke your consent to the archiving of data or if the purpose for which the information is being archived no longer exists (e.g., after we have concluded our response to your inquiry). This shall be without prejudice to any mandatory legal provisions, in particular retention periods.

Request by e-mail, telephone, or fax

If you contact us by e-mail, telephone or fax, your request, including all resulting personal data (name, request) will be stored and processed by us for the purpose of processing your request. We do not pass these data on without your consent.

These data are processed on the basis of Art. 6(1)(b) GDPR if your inquiry is related to the fulfillment of a contract or is required for the performance of pre-contractual measures. In all other cases, the data are processed on the basis of our legitimate interest in the effective handling of inquiries submitted to us (Art. 6(1)(f) GDPR) or on the basis of your consent (Art. 6(1)(a) GDPR) if it has been obtained.

The data sent by you to us via contact requests remain with us until you request us to delete, revoke your consent to the storage or the purpose for the data storage lapses (e.g. after completion of your request). Mandatory statutory provisions - in particular statutory retention periods - remain unaffected.

5. Social media

Social media plug-ins with Shariff

We do use plug-ins of social media networks on this website and its pages (e.g. Facebook, Twitter, Instagram, Pinterest, XING, LinkedIn, Tumblr).

As a rule, you will be able to recognize these plug-ins because of the respective social media logos that appear. To warrant the protection of data on this website, we use these plug-ins only in combination with the so-called "Shariff" solution. This application prevents the plug-ins that have been integrated into this website from transferring data to the respective provider as soon as you enter our website.

A direct connection to the provider's server shall not be established until you have activated the respective plug-in by clicking on the affiliated button (which indicates your consent). As soon as you activate the plug-in, the respective provider receives the information that you have visited this website with your IP address. If you are simultaneously logged into your respective social media account (e.g. Facebook), the respective provider will be able to allocate your visit to this website to your user account.

The activation of the plug-in constitutes a declaration of consent as defined in Art. 6(1)(a) GDPR. You have the option to revoke this consent at any time, which shall affect all future transactions.

6. Analysis tools and advertising

Google Tag Manager

We use the Google Tag Manager. The provider is Google Ireland Limited, Gordon House, Barrow Street, Dublin 4, Ireland

The Google Tag Manager is a tool that allows us to integrate tracking or statistical tools and other technologies on our website. The Google Tag Manager itself does not create any user profiles, does not store cookies, and does not carry out any independent analyses. It only manages and runs the tools integrated via it. However, the Google Tag Manager does collect your IP address, which may also be transferred to Google's parent company in the United States.

The Google Tag Manager is used on the basis of Art. 6(1)(f) GDPR. The website operator has a legitimate interest in the quick and uncomplicated integration and administration of various tools on his website. If the relevant consent has been requested, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR; the consent can be revoked at any time.

7. Online-based Audio and Video Conferences (Conference tools)

Data processing

We use online conference tools, among other things, for communication with our customers. The tools we use are listed in detail below. If you communicate with us by video or audio conference using the Internet, your personal data will be collected and processed by the provider of the respective conference tool and by us. The conferencing tools collect all information that you provide/access to use the tools (email address and/or your phone number). Furthermore, the conference tools process the duration of the conference, start and end (time) of participation in the conference, number of participants and other "context information" related to the communication process (metadata).

Furthermore, the provider of the tool processes all the technical data required for the processing of the online communication. This includes, in particular, IP addresses, MAC addresses, device IDs, device type, operating system type and version, client version, camera type, microphone or loudspeaker and the type of connection.

Should content be exchanged, uploaded, or otherwise made available within the tool, it is also stored on the servers of the tool provider. Such content includes, but is not limited to, cloud recordings, chat/ instant messages, voicemail uploaded photos and videos, files, whiteboards, and other information shared while using the service.

Please note that we do not have complete influence on the data processing procedures of the tools used. Our possibilities are largely determined by the corporate policy of the respective provider. Further information on data processing by the conference tools can be found in the data protection declarations of the tools used, and which we have listed below this text.

Purpose and legal bases

The conference tools are used to communicate with prospective or existing contractual partners or to offer certain services to our customers (Art. 6(1)(b) GDPR). Furthermore, the use of the tools serves to generally simplify and accelerate communication with us or our company (legitimate interest in the meaning of Art. 6(1)(f) GDPR). Insofar as consent has been requested, the tools in question will be used on the basis of this consent; the consent may be revoked at any time with effect from that date.

Duration of storage

Data collected directly by us via the video and conference tools will be deleted from our systems immediately after you request us to delete it, revoke your consent to storage, or the reason for storing the data no longer applies. Stored cookies remain on your end device until you delete them. Mandatory legal retention periods remain unaffected.

We have no influence on the duration of storage of your data that is stored by the operators of the conference tools for their own purposes. For details, please directly contact the operators of the conference tools.

Conference tools used

We employ the following conference tools:

Microsoft Teams

We use Microsoft Teams. The provider is Microsoft Corporation, One Microsoft Way, Redmond, WA 98052-6399, USA. For details on data processing, please refer to the

We have entered into a contract data processing agreement with the provider of Microsoft Teams and implement the strict provisions of the German data protection agencies to the fullest when using Microsoft Teams.

8. Custom Services

Job Applications

We offer website visitors the opportunity to submit job applications to us (e.g., via e-mail, via postal services or by submitting the online job application form). Below, we will brief you on the scope, purpose and use of the personal data collected from you in conjunction with the application process. We assure you that the collection, processing and use of your data will occur in compliance with the applicable data privacy rights and all other statutory provisions and that your data will always be treated as strictly confidential.

Scope and purpose of the collection of data

If you submit a job application to us, we will process any affiliated personal data (e.g., contact and communications data, application documents, notes taken during job interviews, etc.), if they are required to make a decision concerning the establishment or an employment relationship. The legal grounds for the aforementioned are § 26 New GDPR according to German Law (Negotiation of an Employment Relationship), Art. 6(1)(b) GDPR (General Contract Negotiations) and – provided you have given us your consent – Art. 6(1)(a) GDPR. You may revoke any consent given at any time. Within our company, your personal data will only be shared with individuals who are involved in the processing of your job application.

If your job application should result in your recruitment, the data you have submitted will be archived on the grounds of § 26 New GDPR and Art. 6(1)(b) GDPR for the purpose of implementing the employment relationship in our data processing system.

Data Archiving Period

If we are unable to make you a job offer or you reject a job offer or withdraw your application, we reserve the right to retain the data you have submitted on the basis of our legitimate interests (Art. 6(1)(f) GDPR) for up to 6 months from the end of the

application procedure (rejection or withdrawal of the application). Afterwards the data will be deleted, and the physical application documents will be destroyed. The storage serves in particular as evidence in the event of a legal dispute. If it is evident that the data will be required after the expiry of the 6-month period (e.g., due to an impending or pending legal dispute), deletion will only take place when the purpose for further storage no longer applies.

Longer storage may also take place if you have given your agreement (Article 6(1)(a) GDPR) or if statutory data retention requirements preclude the deletion.
